

SCIENTIA: SOCIAL SCIENCES & HUMANITIES
ISSN 2828-0059

SCIENTIA: SOCIAL SCIENCES & HUMANITIES disseminates high-quality conference or academic meeting proceedings across all topics of social sciences and humanities. Selected conference proceedings are published with open access in a dedicated online. Conference proceedings are selected for publication in SCIENTIA based on quality and are required to meet certain editorial criteria, including quality of the conference, editorial standards, and relevance to current topics in SCIENTIA.
